

2023 Campus Security Report

Makana Esthetics Wellness Academy

Introduction

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), codified at 20 U.S.C. § 1092(f) as a part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose certain timely and annual information about campus crime and security policies. All public and private post-secondary educational institutions participating in federal student aid programs are subject to the Clery Act and compliance with the provisions of the Clery Act and applicable regulations does not constitute a violation of Section 444 of the General Education Provisions Act (20 U.S.C. 1232g), commonly known as the Family Educational Rights and Privacy Act of 1974 (FERPA). The Clery Act requires colleges and universities to publish an annual report every year by October 1st that contains three (3) years' worth of crime statistics and certain security policy statements, including sexual assault policies, which assure basic victims' rights, the law enforcement authority of campus security, where the students should go to report crimes, and domestic and sexual violence prevention and awareness education. The complete text of the Clery Act along with the implementing regulations published by the U.S. Department of Education is available at the Clery Center for Security on Campus website located at <http://clerycenter.org/>.

Reporting Crime and Other Emergencies on Campus

Makana Academy is committed to providing an environment that provides security for persons and property. No absolute guarantee of individual safety or security of property is possible, but with the cooperation of students, faculty, staff and visitors, it is possible to provide a level of security that is reasonable, effective, and relatively unobtrusive. All members of the Makana Academy community are expected to familiarize themselves with Campus security policies and procedures, adhere to these policies and procedures, and immediately report violations. If you witness any non-emergency criminal incidents or safety concerns and/or are the victim of criminal behavior on property owned or controlled by Makana Academy, promptly report it to the Honolulu Police Department by dialing (808) 529-3111. In the case of an emergency, calls should be made to 911. Immediately after reporting the incident to the Honolulu Police Department, please report the incident to the Director of Administrative Services or Director of Education. For victims who are unable to make a report to local law enforcement, the Director of Administrative Services will accurately and promptly notify local law enforcement of a crime when the Director of Administrative Services is made aware of the crime and the victim's inability to report the crime. Victims or witnesses of a crime or incident who wish to report that crime or incident for inclusion in the annual disclosure of crime statistics on a voluntary, confidential basis may do so by contacting the Director of Administrative Services and informing him/her of the crime or incident. Makana Academy has no pastoral and/or professional counselors working with the students and/or employees.

Campus and Community Notification of Criminal Activity (Timely Warnings)

Makana Academy places a high priority on the safety and security of all members of the Campus community. It is the policy of Makana Academy to notify members of the Campus community of any reported crime(s) that are determined to pose a threat to the safety of students or employees. Anyone with information warranting a potential timely warning should report the circumstances to the Honolulu Police Department, by phone on-campus at 911 or off campus at 911. The Director of Administrative Services is responsible for determining the need for and implementing timely campus notification. If the Director of Administrative Services deems it necessary to notify the Campus community of a threat, Public Safety Bulletins will be published and posted on bulletin boards throughout the Campus. The bulletins will allow members of the Campus community to know what concerns currently exist so they can better protect themselves.

Emergency Response and Evacuation Procedures

Makana Academy places a high priority on the safety and security of all members of the Campus community and will make efforts to immediately notify, either via verbal announcement, electronic notification, or Public Safety Bulletin, and facilitate the evacuation of members of the Campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on Campus property (unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency). The Director of Administrative Services will attempt to confirm the existence of a significant emergency or dangerous situation by contacting local law enforcement. After confirming the existence of a significant emergency or dangerous situation, the Director of Administrative Services will determine the appropriate segment or segments of the Campus community who will receive notification, determine the content of the notification, and will initiate the notification system. The Director of Administrative Services and his/her designees are responsible for implementing the actions required by the Emergency Response and Evacuation Procedures. At least once per year, Makana Academy will test its emergency response and evacuation procedures by conducting an emergency evacuation drill, which may be either announced or unannounced. In conjunction with this emergency evacuation drill, Makana Academy will post or otherwise publicize a copy of its Emergency Response and Evacuation Policy to the Campus community.

Access to and Maintenance and Security of Campus Facilities

Makana Academy is a private institution, and as such reserves the right to limit the use of its grounds and facilities as it deems appropriate. Access to any Makana Academy facility by any person or persons is strictly limited to those having legitimate business in that area or facility. The Campus building and facilities are accessible to students, customers, employees, contractors, guests and invitees during normal hours of business, Monday-Friday, and for limited designated hours on Saturdays. Access times will vary depending upon the nature of the building and its activity. Except for faculty and staff with keys or appropriately authorized access codes, access is generally restricted to Campus-affiliated personnel during recognized

holidays. A video surveillance system located in the interior of the facility documents intrusions of the facility during non-business hours. There are several security cameras located on the outside of the building complex in which Makana Academy is located. It is locked and secured from 2200 hours to 0600 hours. Private security of the building complex is provided during business hours. Makana Academy does not maintain any campus residences. Motor vehicle parking lots, pedestrian walkways, and building exteriors are well lighted. Members of the Campus community are encouraged to report any exterior lighting deficiencies to the Director of Administrative Services. Exterior doors on Campus building are locked each evening by the Director of Administrative Services or other members of Campus Management. Door and security hardware operating deficiencies should also be reported to the Director of Administrative Services. The building complex and exterior areas are actively patrolled by private security. Makana Academy does not have campus law enforcement or private security on the interior of the campus facility.

Security Awareness and Crime Prevention Programs

All students are required to attend a Student Orientation at which time they are cautioned to avoid loss of property and/or injury to self or others by reading and observing the Campus Security Report and the Evacuation Procedures & Maps that are posted on the corridor bulletin boards. In addition to the Annual Campus Security Report which is posted on the corridor bulletin boards, Makana Academy makes literature available that is provided by community and government agencies which describes various programs and help numbers for personal safety, health, and emergency counseling. Literature is available in the Admissions Office. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

Criminal Activity by Students at Off-Campus Locations

Makana Academy does not have any recognized off-campus facilities. All criminal activity observed by students at off-campus locations should be immediately reported to local law enforcement.

Drug and Alcohol Policy

Makana Academy is committed to having a Campus that is free of the illegal or abusive use of drugs and alcohol. In keeping with this commitment, it is the policy of Makana Academy that the possession, sale, use or distribution of illicit drugs, alcohol, or other intoxicants in Campus buildings and facilities and at official Campus functions held on Campus is prohibited. Any violation of state or federal drug, alcohol, or underage drinking laws or the violation of the Campus's policies regarding alcoholic beverages or illegal drugs by students, staff, or faculty shall be subject to disciplinary action up to and including termination and/or expulsion. It is unlawful in Hawaii to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone less than 21 years of age in a public place or a place open to the public is illegal. Excessive use of alcohol and other drugs is a serious health problem in itself, but alcohol and drug abuse can also contribute to a host of other physical and mental health problems such as unwanted pregnancy, violent behavior, HIV infection and other sexually transmitted diseases, and psychological

depression. Makana Academy encourages students and employees who are experiencing substance abuse problems to seek assistance from resources available to them on Campus, as well as from agencies and self-help groups available in the community. A list of resources are available from the Director of Administrative Services.

Sex Offender Registry and Access to Related Information

In accordance with the Adam Walsh Child Protection and Safety Act of 2006, the “Campus Sex Crimes Prevention Act” of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, Makana Academy is providing a link below to the Hawaii Criminal Justice Data Center. The “Campus Sex Crimes Prevention Act” requires institutions of higher education to issue a statement advising the Campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. In the state of Hawaii, sex offenders must register with the Hawaii Criminal Justice Data Center. The Hawaii Sex Offender Registry is available via internet at <http://sexoffenders.ehawaii.gov/sexoffender/welcome.html> pursuant to Hawaii law.

Sexual Harassment Policy

It is the policy of Makana Academy to prohibit sexual harassment of its students, faculty, and staff and to make every effort to eliminate sexual harassment on the Campus. Makana Academy’s policy prohibits sexual harassment between or among students, faculty, staff, and others visiting or conducting official business on Campus, and in all areas of the Campus’s work and educational environments. Those who engage in sexual harassment may be subject to legal consequences, including civil and criminal penalties. All Makana Staff Members are required to complete a Prevention of Sexual Harassment Training on an annual basis. The full text of the Campus’s policy and complaint procedure regarding sexual harassment may be found in the Makana Academy Course Catalog.

Domestic Violence, Dating Violence, Sexual Assault and Stalking Policy

It is the policy of Makana Academy to prohibit domestic violence, dating violence, sexual assault, and stalking, and to prevent sex offenses committed against students, employees, visitors to the Campus, and other persons who use the Campus facilities. Makana Academy encourages individuals who believe they have been a victim of domestic violence, dating violence, sexual assault, and stalking to report these incidents to appropriate Campus and governmental authorities as outlined in the Sexual Harassment policy. Sexual assault is also an extreme form of sexual harassment. Sexual harassment is prohibited by the Campus’s policy and is a form of sex discrimination prohibited by Title VII of the Civil Rights Act of 1964 and by Title IX of the Education Amendments of 1972.

Programs to Prevent Domestic Violence, Dating Violence, Sexual Assault and Stalking

Several programs and resources are available to members of the Campus community on the topics of sexual harassment, rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking. Makana Academy provides prevention and awareness programs for all incoming students and new employees as well as an ongoing prevention and awareness campaign for all current students and employees. For the initial prevention and awareness program, incoming students will receive information and have a short discussion about prevention and awareness of sexual harassment, rape, acquaintance rape, domestic violence, dating violence, and sexual assault, and stalking and will be provided a Clery Act Education Program Handout at Student Orientation and new employees will be provided with the same information, handout, and opportunity for short discussion during the hiring process. Due to the way Makana Academy offers its education programs, the Campus has a Student Orientation every month. For the ongoing prevention and awareness campaign, Makana Academy will provide notice, via email and/or posting notices on the bulletin boards throughout Campus, to all current students notifying them that they may attend the portion of the Student Orientation containing the domestic violence, dating violence, sexual assault and stalking prevention program and will also conduct annual prevention and awareness training for all current employees to ensure that all students and employees receive ongoing prevention and awareness education. The initial and ongoing prevention and awareness programs and campaign will also cover safe and positive options for bystanders to intervene to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking as well as information on risk reduction to recognize warning signs of abusive behavior and how to avoid potential attacks. Further, the prevention and awareness programs and campaign will cover possible sanctions and protective measures if it is determined a domestic violence, dating violence, sexual assault, or stalking incident has occurred involving a student or employee; procedures victims should follow in the event domestic violence, dating violence, sexual assault, or stalking occurs; procedures for institutional disciplinary action in cases of alleged domestic violence, dating violence, sexual assault, or stalking; information about how Makana Academy will protect the confidentiality of victims; and written notification of existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid assistance, and other services for victims as well as victims options for, and available assistance in, changing academic, living, transportation, and working situations. Further prevention programs can be arranged through the Director of Administrative Services and the Honolulu Police Department's Community Services Office.

Procedure to Follow if an Alleged Incident of Domestic Violence, Dating Violence, Sexual Assault, or Stalking Occurs:

Definitions: For purposes of the Clery Act and the procedures the Makana Academy follows after receiving a report of an alleged incident of domestic violence, dating violence, sexual assault, or stalking, the following definitions apply:

Proceeding: Proceeding means all activities related to a non-criminal resolution of an institutional disciplinary complaint, including, but not limited to, fact-finding investigations, formal or informal meetings, and hearings. Proceeding does not include communications and meetings between officials and victims concerning accommodations or protective measures to be provided to a victim.

Result: Result means any initial, interim, and final decision by any official or entity authorized to resolve disciplinary matters within the institution. The result must include any sanctions imposed by the institution. Notwithstanding section 444 of the General Education Provisions Act (20 U.S.C. 1232g), commonly referred to as the Family Educational Rights and Privacy Act (FERPA), the result must also include the rationale for the result and the sanctions.

Whom to Contact: If someone believes they are the victim of a sex offense, domestic violence, dating violence, sexual assault, or stalking, the quickest possible way to report it is to contact the Honolulu Police Department. A victim should also report the incident directly to the Director of Administrative Services. A victim of a sex offense, domestic violence, dating violence, sexual assault, or stalking, may go directly to a hospital and decide at the hospital what other agencies or resources to contact. The Director of Administrative Services, or any official on campus, will be glad to assist a victim in contacting the proper law enforcement agency, if the victim so chooses. The victim may also decline to notify a law enforcement agency, if the victim so chooses.

Preservation of Evidence: After contacting the necessary law enforcement authorities as soon as possible, it is important that a victim of a sex offense, domestic violence, dating violence, sexual assault, or stalking does not shower, wash, brush their teeth, or use the restroom, and that they do not wash their clothes or any bedding on which the incident may have occurred. If they do so, important evidence can be lost and/or

destroyed that could aid in prosecution of an accused individual or aid the victim in obtaining a protection order. This important evidence can be preserved through the completion of forensic examination. The contact information for places that conduct forensic examinations can be obtained from local law enforcement or from sexual assault counseling hotlines. It is important to note, that completing a forensic examination does not require that a victim file a police report.

Notification of Counseling and Assistance: Any victim who reports an incident to a non-campus official will be advised of existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid assistance, and other services available through the agencies listed on the Resource, Counseling, and Assistance Contact Information page on the last page of this Campus Security Report. For student financial aid assistance provided by Makana Academy, a victim can visit the Campus in person or call the Campus at the number provided on the Resource, Counseling, and Assistance Contact Information page and ask to speak with a representative in the financial aid department. The agencies listed on the Resource, Counseling, and Assistance Contact Information page and Makana Academy can work with the victim in finding options for, and available assistance in, changing academic and/or working situations or assistance in obtaining protective measures. Further, if requested by the victim and if they are reasonably available, Makana Academy will provide accommodations related to the victim's academic and/or working situation and protective measures after an alleged sex offense, domestic violence, dating violence, sexual assault, or stalking incident, regardless of whether the victim chooses to report the crime to local law enforcement or campus security. Victims can request an accommodation for their academic and/or working situation and protective measures from the Director of Administrative Services by visiting the Director of Administrative Services at the Campus or by contacting the Campus at the number provided on the Resource, Counseling, and Assistance Contact Information page on the last page of this Campus Security Report and asking to speak with the Director of Administrative Services. Protective measures may include, but are not limited to, being provided with an escort when walking from a vehicle to building and back, changing of class schedules, or informing campus officials of potential threats to enable identification of those threats.

Campus Disciplinary Procedure: If the victim of a sex offense, domestic violence, dating violence, sexual assault, or stalking so desires, and all parties involved are members of the Campus community, the victim can provide notice of the incident to the Director of Education or the Director of Administrative Services (Title IX Civil Rights Coordinator) so the incident can be investigated and adjudicated under the Makana Academy Sexual Harassment policy. The proceeding will normally be concluded within 30 days from the receipt of the report of an alleged sex offense, domestic violence, dating violence, sexual assault, or stalking; however, should additional time be needed both the accuser and the accused will be notified in writing of the need for additional time. The proceeding will be conducted in a prompt, fair, and impartial manner by the Director of Administrative Services who receives annual training on the issues related to domestic violence, dating violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability. All disciplinary proceedings involving an incident of domestic violence, dating violence, sexual assault, or stalking will be conducted using the preponderance of the evidence standard. After the Director of Administrative Services concludes the investigation and inquiry, he/she will issue a final determination (result) and will impose sanctions at that time. Sanctions that can be imposed upon a final determination of an incident include the following: a

verbal or written warning or reprimand; participation at further sexual harassment training; imposition of specific restrictions; disciplinary probation; suspension; and/or expulsion. Students may also be transferred to other classes. Both the accused and the accuser are entitled to the same opportunities to have others present during a disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by an advisor of their choice. Both the accuser and the accused will be simultaneously informed in writing of the result of any disciplinary proceeding brought that arises from an allegation of domestic violence, dating violence, sexual assault, or stalking; Makana Academy's procedures for the accused and the accuser to appeal the results of the disciplinary proceeding; any change to the results that occurs prior to the time that such results become final; and when such results become final.

Orders of Protection, No Contact Orders, and Restraining Orders: If a student obtains an order of protection, no contact order, restraining order, or other similar lawful order, the student shall notify the Director of Administrative Services of the order and shall supply a copy of the order to the Director of Administrative Services. When Makana Academy receives an order, it will utilize all reasonable measures it has at its disposal to help monitor and comply with the provisions of that order.

Confidentiality: To the extent permissible by law, Makana Academy will protect the confidentiality of victims and other necessary parties. No personally identifying information about the victim will be recorded in the campus' Daily Crime Log and all disciplinary proceedings conducted pursuant to the Makana Academy Sexual Harassment policy will be kept confidential, unless otherwise stated herein or required by law. With regards to any accommodations or protective measures provided by Makana Academy, Makana Academy will only provide the victim's personally identifying information to those individuals who have a need to know in order to properly provide the requested accommodation or protective measure.

Policy Regarding Notification Provided to Victims of Domestic Violence, Dating Violence, Sexual Assault or Stalking

Any victim who reports an incident to an on-campus official, regardless of whether the incident occurred on or off campus, will be provided with a written explanation of the victim's rights and options regarding the following:(1) Information stating the procedures victims should follow if a crime of dating violence, domestic violence, sexual assault, or stalking has occurred, including written information about – (a) the importance of preserving evidence that may assist in proving that the alleged criminal offense occurred or may be helpful in obtaining a protection order; (b)how and to whom the alleged offense should be reported; (c) options about the involvement of law enforcement and campus authorities, including notification of the victim's option to – notify proper law enforcement authorities, including on-campus and local police; be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses; and decline to notify such authorities; and (d) where applicable, the rights of victims and the institution's responsibilities for orders of protection, “no contact” orders, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court or by the institution.(2) Information about how the institution will protect the confidentiality of victims and other necessary parties, including how the institution will—(a) complete publicly available recordkeeping, including Clery Act reporting and disclosures, without the inclusion of personally identifying information about the victim; and (b) maintain as confidential any accommodations

or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.(3) Information about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims, both within the institution and in the community.(4) Information about options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures.(5) Information regarding the procedures for institutional disciplinary action in cases of alleged dating violence, domestic violence, sexual assault, or stalking where all parties involved are members of the Campus community.
