## Facial Treatments

**Makana Signature Facial | 50min | \$55**

Personalized treatment tailored to your skin's specific needs. A combination of natural botanicals, vitamins, and antioxidants are used to nourish and rejuvenate the skin.

**Papaya Enzyme Facial | 50min | \$55**

The papaya fruit enzyme gently exfoliates dead surface impurities allowing nourishing ingredients to penetrate, improving tone and elasticity of the skin.

**Pumpkin Enzyme Facial | 50min | \$55**

This active, brightening treatment contains a powerful pumpkin enzyme to stimulate cellular turnover and improve skin discoloration and texture.

## Body Treatment

**Back Facial | 50min | \$55**

This treatment targets the hardest area of your body to maintain. Relax as your back is cleansed, exfoliated, and hydrated with this pore-purifying treatment.

## Advanced Facial Treatments

**Microderm Facial | 30min | \$65**

Diamond-tip microdermabrasion effectively removes rough, dead cells for improvement in tone and texture.

**Ultimate Facial | 50min | \$75**

A customized exfoliation, manual lymphatic drainage, and LED light therapy will work to hydrate, clean, and revitalize the skin while supporting healthy blood circulation. This luxe facial promotes the production of collagen and elastin for glowing, youthful skin.

**SKINCEUTICALS Chemical Peel | 30min | \$75**

Skinceuticals chemical peels exfoliate to renew and regenerate skin. Glycolic and lactic acids exfoliate and hydrate surface cells to treat photo-damaged (sun damaged) skin. Salicylic and mandelic acids work to address clogged pores, acne, and dark marks. Consultation is required to determine the best peel for your skin.

## Add-on Treatments

**Exfoliating Hand or Foot Scrub | \$15**

Treat tired hands or feet to reveal smooth, hydrated skin. The perfect add-on to any facial treatment.

**High Frequency | \$15**

High Frequency, an electro-therapy, promotes healing and repair by stimulating circulation. High frequency especially helps to heal inflammatory acne.

**LED Light Therapy | \$15**

Light therapy, also known as photorejuvenation, has been proven to increase collagen production and diminish acne-causing bacteria.

**Hydro-Jelly Mask | \$15**

This electrolyte-infused mask offers added hydration, moisturization, and relaxation.

**Ultrasonic Skin Scrubber | \$10**

The skin scrubber utilizes ultrasound technology to gently exfoliate the skin of dead skin cells and impurities to achieve a noticeably radiant, healthy glow.

**Ice Globes | \$10**

Ice globes are cooling wands used to soothe irritation, and decrease inflammation and the appearance of large pores.

**Eyelash or Brow Tint | \$20**
